Yellow warning
Thunderstorm

Between
17:00 Mon 8 May 2023 and
23:00 Mon 8 May 2023

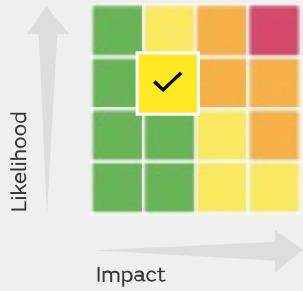
Heavy showers, with a chance of thunderstorms, may lead to localised disruption.

What to expect

- Some flooding of a few homes and businesses likely, leading to some damage to buildings or structures
- Probably some damage to a few buildings and structures from lightning strikes
- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Some short term loss of power and other services is likely

Further details

Heavy showers, some perhaps thundery with a chance of hail in a few spots, are expected to move eastwards across parts of Scotland this evening. Rainfall totals of 15 to 30 mm is possible in an hour or two in a few places.



Medium likelihood of low impacts
